Discover a magical world and be swept away in the adventure of a life time!

After the Great War that divided the peoples, the five kingdoms of men plunged into a Dark Age that lasted 500 hundred years. To heal the lands and restore the light, the great kings decreed that magic and all that is magical, be it creature, man or device, shall be cleansed to dust. From their thrones, the kings watched as creatures born of magic were hunted to extinction by heroes chosen to honor their clans in the blood games.

The cleansing raged for so long that no human could recall a time without it and it is in this time that the Dark Lord Sathar returned from the dark beyond. The one hope of the peoples of Ruin Mist was Queen Mother, the elf queen of old. She saw a way out of everlasting darkness, a path that required the union of the divided peoples.
