Contact Dermatitis Traditional and natural treatments for contact dermatitis plus preventing future attacks: Covers allergic, irritant and photo-contact dermatitis, causes and products to avoid Sophia Richards

Contact Dermatitis by Sophia Richards

Traditional and natural treatments plus preventing future attacks.

Covers allergic, irritant and photo-contact dermatitis, causes and products to avoid.

Contact dermatitis is a huge and fast growing health issue. In the US alone it resulted in over 10 million doctor visits in 2013. If you, or someone you know has experienced it then this is the book for you. Too often this painful condition is misdiagnosed or brushed off as rash leading sufferers with a host of unanswered questions such as:

Which type do I have and what caused it?

Which treatment is right for me?

Can I treat myself at home?

Can I prevent a recurrence?

Which products are harmful and which are safe to use?

If you've suffered from any form of dermatitis then you'll understand just how irritating it can be.

Too often a diagnosis isn't accompanied by sufficient information to make you feel re-assured or even in possession of all the facts. If you want treat yourself at home you may be bombarded by conflicting information and be nervous about what to try to help relieve your symptoms.

This book will help you:

Understand more about your condition including the various types and how they are differentiated

Correctly self diagnose your condition at home

Help you understand what is causing your problem

Understand all the traditional treatments and possible side effects of these

Learn how deal with your dermatitis both at home and at work

Learn what action you can take yourself to help get rid of your itchiness and discomfort once and for all

The book contains several chapters for anyone who wants to use natural alternatives which includes:

Various highly effective and low cost natural treatments

How you can significantly boost your immune system with easy steps that will help your diagnosis and also improve your overall health

What you can use to replace regular household products which may be causing or making your symptoms worse, including lots of recipes for making wonderful products easily at home

A special section on natural products to try

A hidden web address only for readers which details many hundreds of the products which contain chemicals known to cause skin problems, including brand names so that you can easily check which of the products you're currently using may be causing your problem

Sophia Richards has written extensively on health issues on three continents. She specializes and has a lifelong interest in natural treatments and home remedies for a host of medical problems. Contact dermatitis is a subject close to her heart after her husband suffered with it for several years. Following years of research this book includes tried and tested methods that can help end the suffering caused by this painful issue.
