Welcome to Bordertown. A hybrid community of misfits, oddballs and runaways. Where humans, elves and halflings co-exist. Where magic and the brutal realities of survival clash and mix. For Orient and Tick-Tick, it's just home.

Death and dark magic hang over the city. A seductive new drug lures young runaways to their destruction. A mysterious plague spreads through the streets. And beneath the clock tower on High Street, Bonnie Prince Charlie lies slain by an unseen hand. A cop named Sunny Rico exploits Orient's talent for finding objects to track the killer and leads both herself and him into the darker secrets of Elflands' immigrant citizens.
