‘SHOWERED IN MILK’ is the latest release from international bestselling author Alex Anders and is for those who love short lactation stories where lactating mothers spray their horny husbands with their milk.

Jenny’s breasts drip with milk, especially when she masturbates. So when her sex starved husband catches her pleasuring herself, she finds another way to feed his desire until they can again have sex. And discovering that her husband likes to be sprayed with her milk, Jenny gets her husband very wet.

5,500 words.

*Please note that this story contains very explicit descriptions of erotic and sexual situations written for extreme genital arousal which will lead to self-pleasure. Mature readers only.

Excerpt:

Jenny’s face flushed in arousal as she thought about how much Tom wanted to taste it, swallow it. It felt so wrong while also being deliciously erotic. She orgasmed with a pathetic cry, almost screaming. “Tom, Tom, Tom,” she yelled as he roughly slid his fingers along the walls of her pu**y. Pushing his fingers into her deeper and deeper, he sucked hungrily on her nipple, drinking her milk.

Consumed by the waves of her orgasm, she clutched at her free breast, her short fingernails digging into her flesh. Her shivers subsided and Tom slid his hand out of her pu**y, resting both hands on her waist as he continued to tug and suck at her breasts, mesmerized by the abundance of her milk and the sweet taste of it.

Jenny, overcome by arousal, squeezed her nipple. To her surprise a thin stream of milk shot out of it, landing on Tom’s shoulder. He looked up at her face in surprise. His face was ripe with lust.

“Do it again,” he whispered before filling his mouth with the other nipple.

This time with his eyes open, he turned and watched as she lifted her hand and squeezed her nipple. Jenny gasped as another stream of milk shot out to land on his neck and cheek.

Tom moaned.
