The Destruction of America Blake Walker

The primary goal of Islamic fundamentalists and extremists who hate America and Israel call for jihad against the United States and the destruction of America. Americans worried that 911 was just the beginning of a pattern of terrorist attacks, but it turns out the greatest threat to the American way of life, and our cohesiveness as a divided multiracial and multi-ethnic nation, is the domestic erosion of our idealism, values and civility. What can be done about the insidious decay that threatens to destroy America from within? The analysis of the long-standing problems and solutions are explained by the author.
