The Histories of Gargantua and Pantagruel Francois Rabelais

The Histories of Gargantua and Pantagruel, by Francois Rabelais, translated by John M. Cohen and illustrated by, Frank C. Paper, published by the Franklin Library, 1982, 715 pages. "An elaborate parody written in the 16th century, "Gargantua and Pantagruel" is a comic blend of energetic realism and carnival fantasy. The two main characters are giants, a father and his son, who have numerous adventures. Many different types of people are satirized during their chivalric exploits, from lawyers to theologians, generals to monarchs, with humor that is often grotesque or obscene. Intertwined with this crude comedy, however, is the wisdom of Renaissance learning, which exposes countless examples of human foolishness."
