“Life will always throw you curves, just keep fouling them off ... the right pitch will come, but when it does, be prepared to run the bases.”

-Rick Maksian

Colie Adger is trying to make it in the big leagues as an athletic trainer. Working in a man's world isn't easy but Colie has the help of Grant Adamson, a veteran pitcher on her team that has her back through the good, the bad, and the oh-so-ugly times.

Colie's elated when big time pitcher Jace Richards, her former crush, comes back into her life. This time, he wants it all, with Colie front and center.

Grant thinks Jace is too good to be true and doesn't trust his rival with the heart of his trainer. Voicing his opinion, Grant steps to the side and lets Colie follow her own path. Colie is torn between Jace's lavish attention and the common sense of a solid friend.

Throughout the season, Colie must figure out how to make the best decisions for all the men in her life—both on and off the field. As good as she is at making decisions for others, can Colie figure out her own heart and hit a homerun off the right pitch?
