After a both sensuous and spasmodic introduction to gay and he will do it hard, fast and unprotected in First Time Gay 1: The Present, Mark decides to move it a step further, and add some spice to his encounter with James.

Having left James blindfolded and tied up in their bedroom, Mark comes back expecting to take full advantage of his 'present', James. And so he does, passionately and sensuously, in a steamingly hot scene, but what James does not know is that mark's kinky side is quite creative, and he still has an extra, saucy, surprise in store for James.

Slowly becoming more dominant, Mark makes James explode with real passion and lust before having anal hard and unprotected with him; yet, even when he finally has a quickie with James, Mark can still make James learn a few lessons, making him gag and beg for more, and taking his time, as James is, now, at his disposal.

In the meantime, there may be someone else in the room, that James is not aware of...

First Time Gay 3: The Party, continues the steaming hot initiation of James, an innocent university student, into the ecstasy of gay love by his roommate, basketball player and hunk Mark.

After having introduced him to oral and going down on him, in First Time Gay 1: The Present, and to a threesome in First Time Gay 2: The Surprise, now, Mark takes James out for the night: he takes him to a clearing in the woods where Mark wants more oral and he will do it hard, fast and unprotected from James...

What James does not know is that the whole basketball team is about to join, and, one by one, they start participating in this hot, steamy gay party: tied to a felled tree trunk in the clearing, Mark takes control of his 'prize' and shares him with his teammates in a hard-and-sweet game that James will never forget.
