## **Star Crusades Nexus: The First Trilogy** Michael G. Thomas

Star Crusades Nexus is an epic military science fiction series that chronicles humanity's first steps into the Orion Nebula, and the great conflict that awaits them. The greatest warriors, engineers and scientists of the age blaze a path to the worlds of T'Karan and Helios, far away from the human worlds of the Alliance. There they will meet alien races and become embroiled in intergalactic politics and conflict. Characters such as Spartan, the illegal pitfighter turned war hero of the Great Uprising, Teresa Morato, senior commander in the Marine Corps and a deadly warrior and Gun, the synthetic warrior giant turned General, a figure with a burning desire to hunt time and destroy the enemy's of his tortured people. All of them will play their part in shaping humanity's future in the galaxy.

This compendium edition contains the full text of the first three novels, *Legions of Orion*, *Machine Gods* and *Heroes of Helios*.

### *Legions of Orion*

A chance discovery on the jungle world of Hyperion leads Alliance scientists on a path to creating a permanent spacebridge to the distant Orion Nebula. In a matter of days, great fleets of military and civilian ships depart for the single greatest expedition since the colonisation of Alpha Centauri. Into this great adventure travel two heroes of the war, retired Marines Spartan and Teresa Morato, and their son Jack. Now senior members of an elite private military corporation, they are at the heart of the Alliance bold new plan. Their discovery of buried machines, as well as derelict spacecraft in the first system encountered triggers events that will see the Alliance embroiled in a military conflict like no other. Discoveries of a dead people who have been wiped out by an unknown enemy sends a shudder through the many worlds of the Alliance.

### *Machine Gods*

After decades of war, the Alliance reached the Orion Nebula and discovered the advanced but shattered remnants of the T'Kari. People and ships are diverted to this rich area of space to continue its exploration and exploitation. At the same time a secretive faction of the T'Kari, known simply as the Raiders unleash attacks on any ships or facilities left unguarded, be it human or T'Kari.

### *Heroes of Helios*

A strike group of the dozen most advanced ships in the Alliance is assembled and sent to a summit of the remaining great powers of Orion. It is a measure of the reputation and military prowess of humanity that they are to be allowed to participate in joint exercises with the Narau Navy, a combined military force made up of ships from the five alien empires. At the same time a diplomatic mission lands on the surface of the planet to meet with the leaders in the Helion Council.
