Robert Victor:

As a scholar exactly feel bored to help reading. If their teacher questioned them to go to the library or to make summary for some publication, they are complained. Just very little students that has reading's heart or real their passion. They just do what the professor want, like asked to go to the library. They go to presently there but nothing reading critically. Any students feel that examining is not important, boring and also can't see colorful pics on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore this The Moon Book can make you feel more interested to read.
