## **United Nations: International Co-Operation Since 1945 (Longman Twentieth-Century History Series.)**

Josh Brooman

One in a series of short books on key areas of 20th-century world history, this volume covers the United Nations and the European Community since 1945. Intended both for use as a complete course and as a supplement to general textbooks, the series aims to present the topics in sufficient depth for GCSE examination work. Extracts supplement the main narrative and questions on both written and illustrative material aim to encourage the development of historical skills.
