A Bibliography of Medical and Biomedical Biography

Leslie T. Morton, Robert J. Moore

A Bibliography of Medical and Biomedical Biography Leslie T. Morton, Robert J. Moore

This new third edition of *A Bibliography of Medical and Biomedical Biography* details readily available sources of information in the English language on significant figures in the history of medicine and the biomedical sciences. Archival collections are also noted and a representative selection of general and specialized histories is included. This new edition features more than 1300 new entries, plus updates and amendments to previous entries. Also included, as far as possible, are the names of individuals recorded in Morton and Moore's *Chronology of Medicine and Related Sciences* (Ashgate, 1997). This bibliography remains an essential guide to the life and works of individuals who have contributed to the development of medicine and the biomedical sciences.
