*Francis Graham Lee*

**All Imaginable Liberty: The Religious Liberty Clauses of the First Amendment** Francis Graham Lee  
How were religious minorities treated in colonial times? What role did Catholics play in framing the religious liberty clauses of the First Amendment? How does the Supreme Court apply the sometimes contradictory commands of the free exercise and nonestablishment clauses? *All Imaginable Liberty* answers these questions in its tracing of the development of religious liberty from colonial times to the present. Articles by historians, political scientists, and lawyers explore the evolution of religious freedom and examine the role of the Supreme Court in extending and defining religious freedom. Francis Graham Lee introduces each section, addressing each article's contribution to the understanding of religious liberty in the contemporary United States.
