Deforestation in the Postwar Philippines (University of Chicago Geography Research Papers)

David M. Kummer

Deforestation in the Postwar Philippines (University of Chicago Geography Research Papers) David M. Kummer

The only quantitative deforestation study to focus on one country, this case analysis of the Philippines since 1946 yields more concrete data than previous cross-national studies. David Kummer's close examination of the interactions among political, economic, and cultural factors and their environmental consequences sheds light on similar situations in other countries.
