**PARENTING AFTER DIVORCE FOR THE SINGLE DADDY: The Best Guide To Helping Single Dads Deal With Parenting Challenges After A Divorce (divorce, parenting, divorce with children, parenting after divorce)** Nick Thomas

*Do You Find It Hard To Parent After A Divorce?*

*Is Your Child Finding It Hard To Cope With The Divorce?*

*Are You Having A Hard Time With Your Children And Ex-Wife?*

After a divorce, parenting is a real challenge. Divorce would impact the children tremendously because it changes their viewpoint of life. The two people whom they depend the most are separated. For a single father, this is difficult because his entire life is focused on being a good father. He has worked hard to provide for his children and he finds it hard to deal with their reaction.

---

## **How Divorce Impacts Parenting**

As a single father, you would want to know that the divorce is impacting the child as minimal as possible. No father wants to go through the divorce knowing that it has impacted the child severely. When going through a divorce, there is a tendency for the father to focus completely on their own problems and blame their spouse. They become self-absorbed and neglect their children's needs. This is dangerous because it is perhaps the most emotionally vulnerable situation.

Being a highly emotional situation, many fathers don't realise how it impacts their future parenting situation. If not dealt with properly, the child would be completely impacted and their relationship would be difficult. If you don't do it right, your children would be impacted. The impact might not be immediate and could only be seen in the future. Their behaviour would change and it may be difficult for you to parent them.

In **Parenting After Divorce For The Single Daddy**, Nick Thomas shares his experience as a single father. He has collected advice from other single fathers and written a book that encompasses many considerations that single fathers must make.

You would learn to **become a better parent in the future and help your children cope with the divorce better.**
