Tales of the Possessed: Extraordinary true life experiences C. Torrington

The idea of people possessed by evil spirits against their will is as old as the hills. Often there is thought to be a special way a person has become possessed. It might be the result of a curse cast on them by a sorcerer, or some unfortunate mishap such as stepping over a dead body. Or the demons can have been invited, in a Satanic ritual. More often, at least in recent Christian tradition, there is no initiating moment that can be identified - they just find their way in, like disease. From Pearl Curran, a housewife living in St Louis, Missouri, who soared to fame in the second decade of the 20th century as the amanuensis of 'Patience Worth', a writer who had died in the 17th century, to victims of Dissociative Personality Disorder (thought to have inspired *Dr Jekyll & Mr Hyde*), this book examines demonic possession from every angle.
