## Correctly Handling the Word of Truth: Reformed Hermeneutics Today

How should the Word of God be interpreted and applied today? Does our modern culture affect how we read the Bible? Can certain passages be interpreted in different contexts and in different ways, all the while acknowledging that God speaks with a clear and consistent voice? These are the enduring challenges of hermeneutics. In this volume, no less than sixteen Reformed scholars from four different countries join together to tackle the hard questions that often arise when we busy ourselves with the weighty responsibility of interpreting Holy Scripture. As iron sharpens iron, so also these Reformed scholars challenge each other and their readers to ask not only how hermeneutics can be done, but ultimately, how it should be done so that God's Word of Truth may be handled correctly (2 Tim 2:15).
