Evangelical, Catholic, and Reformed: Essays on Barth and Other Themes George Hunsinger

In this book prominent Barth scholar George Hunsinger presents fifteen essays on Karl Barth's understanding of Christian doctrine across a wide spectrum of topics, concluding with suggestions as to how Barth's theology might fruitfully be retrieved for the future.

Hunsinger discusses Barth's view on such subjects as the Trinity, creation, natural theology, Christology, justification, and time and eternity. As he delves into Barth's theological substance, Hunsinger highlights ways in which Barth's work was *evangelical, Catholic, and Reformed*, illuminating the ecumenical aspects of his thought. No other volume explains Barth's views on this range of topics with such scope, depth, and clarity.
