Julia and Jacques Cooking at Home by Child, Julia, Pepin, Jacques (1999) Hardcover Julia, Pepin, Jacques Child

Two legendary cooks, Julia Child and Jacques Pépin, invite us into their kitchen and show us the basics of good home cooking. What makes this book unique is the richness of information they offer on every page, as they demonstrate techniques (on which they don't always agree), discuss ingredients, improvise, balance flavors to round out a meal, and conjure up new dishes from leftovers. Center stage in these pages are carefully spelled-out recipes flanked by Julia's comments and Jacques's comments--the accumulated wisdom of a lifetime of honing their cooking skills. Nothing is written in stone, they imply. And that is one of the most important lessons for every good cook. *--Appetizers--from traditional and instant grav-lax to your own sausage in brioche & a country pâté *--Soups--from New England chicken chowder & onion soup gratinée to Mediterranean seafood stew & that creamy essence of mussels, billi-bi *--Salads & Sandwiches--basic green & near-Niçoise salads; a crusty round seafood-stuffed bread, a lobster roll, & a pan bagnat *--Vegetables--the favorites from artichokes to tomatoes, blanched, steamed, sautéed, braised, glazed, & gratinéed *--Fish--familiar varieties whole and filleted (with step-by-step instructions for preparing your own), steamed en papillote, grilled, seared, roasted, & poached, plus a classic sole meunière & the essentials of lobster cookery *--Poultry--the perfect roast chicken (Julia's way and Jacques's way); holiday turkey, Julia's deconstructed and Jacques's galantine; their two novel approaches to duck *--Meat--the right technique for each cut of meat (along with lessons in cutting up), from steaks and hamburger to boeuf bourguignon and roast leg of lamb *-Desserts--crème caramel, profiteroles, chocolate roulade, free-form apple tart--as you make them you'll learn all the important building blocks for handling dough, cooking custards, preparing fillings & frostings And more . .
