Millard Fillmore: Biography of a President (Publications of the Buffalo Historical Society, Vol. 40)

Robert J Rayback

from Bilio .com: . A biography of the thirteenth President of the United States, the first full-length effort to be published since his death in 1874 (a short biography appeared in 1915, and an account of his early life in 1958). Compiling information about the Fillmore administration proved difficult, as his son almost completely destroyed his papers. Rayback provides an objective view of Fillmore's time in office, criticizing his leadership of "two absurd parties at the beginning and at the end of his political career, [and] his approval of the fugitive slave law" but also praising "his moral convictions and concrete actions against the institution of human slavery". Includes section of portraits and photographs. Bibliography & index follow text. Book Details
