Russia in War and Revolution, 1914-1922: A Documentary History

Russia in War and Revolution, 1914-1922: A Documentary History

Drawing on newly available Russian sources--many of which appear in English for the first time here--this volume covers a broad array of topics, including the Bolshevik rise to power and World War I as the catalyst and cradle, respectively, of the Revolution. The authors convey the boldness and diversity of the revolutionaries' aspirations as well as the ways in which the Revolution affected the lives of ordinary people, from the workers of Petrograd to Siberian peasants and Ukrainian Jews.

Maps, illustrations, and a glossary of terms are included, as are a chronology of the Revolution, a list of works cited, and a thorough index.

Terrie Newlin:

As a college student exactly feel bored in order to reading. If their teacher expected them to go to the library as well as to make summary for some guide, they are complained. Just very little students that has reading's internal or real their pastime. They just do what the educator want, like asked to go to the library. They go to at this time there but nothing reading seriously. Any students feel that reading through is not important, boring and also can't see colorful pics on there. Yeah, it is to be complicated. Book is very important to suit your needs. As we know that on this time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. So , this Russia in War and Revolution, 1914-1922: A Documentary History can make you really feel more interested to read.
