STEM, Grade K (Applying the Standards)

STEM, Grade K (Applying the Standards)

Applying the Standards: STEM for kindergarten offers 64 pages of highly engaging STEM tasks. It includes a problem-solving rubric and guided pages that walk students through completing each step of the STEM process. Kindergartners will complete tasks in areas such as color chemistry, sound, balance, friction, and habitats. The Applying the Standards: STEM series emphasizes creativity and innovation in science, technology, engineering, and math. This is a series of six 64-page books for students in kindergarten to grade 5. A variety of topics are covered with 30 engaging tasks, and a culminating reflection question for each task encourages students to think about and apply their newfound learning and knowledge.
