Awakening: Conversations with the Masters Anthony De Mello

From the bestselling author of *Awareness* and *The Way to Love* comes a classic reissue of lessons to inspire readers every day of the year.

With more than two million books sold and countless admirers throughout the world, Anthony de Mello is regarded as one of the most influential religious teachers of the past fifty years. Since his death in 1987, widespread recognition of his work's enduring value has continued to grow. In *Awakening*, de Mello explores "the wisdom that cannot be conveyed in human speech." Through 365 meditations, blending the mystical traditions of both East and West, he creates the lessons of a profound "master" to his "pupil," illustrating our common need for harmony and enlightenment. The daily parables, sometimes cryptic and often witty, are not meant so much to instruct as to awaken the understanding deep within the human heart.
