Cajun and Creole Folktales: The French Oral Tradition of South Louisiana

Cajun and Creole Folktales: The French Oral Tradition of South Louisiana

This teeming compendium of tales assembles and classifies the abundant lore and storytelling prevalent in the French culture of southern Louisiana. This is the largest, most diverse, and best annotated collection of French-language tales ever published in the United States. Side by side are dual-language retellings--the Cajun French and its English translation--along with insightful commentaries.

This volume reveals the long and lively heritage of the Louisiana folktale among French Creoles and Cajuns and shows how tale-telling in Louisiana through the years has remained vigorous and constantly changing. Some of the best storytellers of the present day are highlighted in biographical sketches and are identified by some of their best tales. Their repertory includes animal stories, magic stories, jokes, tall tales, Pascal (improvised) stories, and legendary tales--all of them colorful examples of Louisiana narrative at its best.

Though greatly transformed since the French arrived on southern soil, the French oral tradition is alive and flourishing today. It is even more complex and varied than has been shown in previous studies, for revealed here are African influences as well as others that have been filtered from America's multicultural mainstream.

The Enjoyable blend here cannot be questionable, similar to treasuring beautiful island. So do you still want to miss it? Find this book and also read it from currently!

Helen Scott:

As a university student exactly feel bored in order to reading. If their teacher asked them to go to the library or even make summary for some guide, they are complained. Just tiny students that has reading's heart and soul or real their interest. They just do what the teacher want, like asked to the library. They go to right now there but nothing reading very seriously. Any students feel that reading through is not important, boring in addition to can't see colorful photos on there. Yeah, it is for being complicated. Book is very important to suit your needs. As we know that on this period of time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore this Cajun and Creole Folktales: The French Oral Tradition of South Louisiana can make you truly feel more interested to read.

William Powers:

What is your hobby? Have you heard that will question when you got pupils? We believe that that concern was given by teacher for their students. Many kinds of hobby, Everyone has different hobby. And you know that little person like reading or as reading become their hobby. You need to know that reading is very important as well as book as to be the matter. Book is important thing to increase you knowledge, except your current teacher or lecturer. You discover good news or update with regards to something by book.
