Managing Change, 6th edition

Bernard Burnes

Managing Change, 6th edition Bernard Burnes

Managing Change examines the concept and practice of change within the context of the history, literature and theories of management. In particular, it links the process of change to the strategic development, management and leadership of organisations. The reader is encouraged to reflect critically on areas such as post-modernism, realism and complexity theory, and explores in depth the influence of culture, power and politics. The book is aimed at students of change management, strategy and organisational change as part of undergraduate, MBA and MA programmes.
