Interview with the Author

Q. What's special about the Tales of the Unexpected, Mystery and Psychological Suspense series?

A. I love great suspense and I love mystery. In these books, I delve into the mind of the characters to show their weakness, their hopes and the terrible sacrifices they are prepared to make.

In Tales of the Unexpected, the characters are pushed to their emotional limits and beyond, and that makes great fiction.

Q. Should I read these books in a particular order?

A. Each of the Tales of the Unexpected series are stand alone stories, so you can read them in any order.

Check out my author page here at Amazon for more details, and a full list of my available titles.

Q. Where do you get insights for writing your books?

A. I love to write (and read!) mystery and psychological suspense. Psychology and the depths of the human mind are my specialisms.

I explore the shadow, dark side of human nature and contrast it with the positive. You can find out more about what inspires my story writing by checking out the links on my Amazon author page.
