Beginner's Introduction to the Canon EOS Rebel T3i / 600D Mike Tinder

The Canon EOS Rebel T3i / 600D is a great camera for beginners to step up in to the world of DSLRs. It can however be more than a little intimidating to look at the camera, with all the buttons and dials, and have no idea how to drive it. In this short ebook, I take you through some basic (and advanced) steps to get you started on the road to getting the most out of your new camera.

I'm not going to refer to you as a 'dummy' simply because you don't know how to do something, lets be honest, I'm sure there's things plenty of things that you know that I don't, I just happen to know about cameras because I've been working with them for 20 years. So it's perfectly acceptable not to know what you're doing, but we'll change that in a short time.

In this ebook, we don't delve in to advanced photographic theory, instead I simply walk you through how to use the different features of the T3i / 600D to enable you to go from taking just OK photos to taking fantastic shots that your friends will want to print out.
