Only for Her (Volume 2) Cristin Harber

The second installment in the Only series. Must read book one first!!

First loves never die but Grayson Ford comes close. Bleeding out in a war zone, he barter with God. Bring him back alive, and he'll make it right with his girl.

All I want is Emma. I need her, and I fight for her memory. A story. A smile. Anything. But it's all blank.

Emma is not his girl anymore. Time has skipped by and life's been hard. She strips to pay the bills, waitresses to fill the hours between classes and her third job. All while working to be the best mama she can be to the little girl who will never know her daddy. Even though Grayson abandoned her, she mourned his death. Until he calls, and everything she knew was wrong.

It's him. The him that ruined my life. That made my life. That confused my mind to the point that I can't figure out if I've been destroyed or set free. The him that... is... dead.

He's back with one objective--Emma Kingsley--and she never sees it coming.

Only for Her, Only #2

The novella series will release in its entirety this spring.

From reader reviews:

Christopher Hairston:

Why don't make it to become your habit? Right now, try to prepare your time to do the important action, like looking for your favorite e-book and reading a guide. Beside you can solve your condition; you can add your knowledge by the guide entitled Only for Her (Volume 2). Try to make the book Only for Her (Volume 2) as your friend. It means that it can to become your friend when you sense alone and beside regarding course make you smarter than previously. Yeah, it is very fortunated for you personally. The book makes you a lot more confidence because you can know anything by the book. So , let me make new experience along with knowledge with this book.

Laurie Riley:

Throughout other case, little men and women like to read book Only for Her (Volume 2). You can choose the best book if you appreciate reading a book. Given that we know about how is important the book Only for Her (Volume 2). You can add know-how and of course you can around the world by just a book. Absolutely right, mainly because from book you can understand everything! From your country until eventually foreign or abroad you may be known. About simple matter until wonderful thing you can know that. In this era, we are able to open a book or even searching by internet unit. It is called e-book. You need to use it when you feel fed up to go to the library. Let's read.

Joseph Robison:

Why? Because this Only for Her (Volume 2) is an unordinary book that the inside of the reserve waiting for you to snap this but latter it will shock you with the secret it inside. Reading this book adjacent to it was fantastic author who else write the book in such remarkable way makes the content on the inside easier to understand, entertaining method but still convey the meaning completely. So , it is good for you for not hesitating having this any longer or you going to regret it. This unique book will give you a lot of rewards than the other book have got such as help improving your expertise and your critical thinking means. So , still want to hold off having that book? If I were being you I will go to the publication store hurriedly.

Kent Moore:

This Only for Her (Volume 2) is great reserve for you because the content that is certainly full of information for you who always deal with world and still have to make decision every minute. This kind of book reveal it details accurately using great plan word or we can state no rambling sentences within it. So if you are read the idea hurriedly you can have whole facts in it. Doesn't mean it only provides straight forward sentences but tough core information with lovely delivering sentences. Having Only for Her (Volume 2) in your hand like having the world in your arm, details in it is not ridiculous one. We can say that no book that offer you world in ten or fifteen minute right but this guide already do that. So , this is certainly good reading book. Heya Mr. and Mrs. stressful do you still doubt in which?
