*Renaissance*, the fifth and final book in the Iris series by Rebecca Lynn, is a standalone novel filled with laughs, friendship, romance and steamy erotica.

Recently divorced, Tiffany Daniels is happy to shed herself of her manipulative and emotionally abusive ex. As a result, she's finally ready to join life again. Professionally, she has a new opportunity to head up a foundation for girls, but personally she turns her eye to one gorgeous doctor who's been causing her heart to pound hot and heavy for months. The only problem is when she's finally ready to go after him, he's unavailable.

Charming and confident, Dr. Drew Huntington knows how to get a woman. As a surgeon in a prestigious medical center in New York City, he first meets Tiffany months earlier at the house of a friend who once needed his services. His interest is immediately peaked by the striking beauty who seems to leave the room every time he enters it. While getting to know Tiffany, the two dance around the topic of their interest in each other until Drew realizes that Tiffany's past keeps getting in the way. After months of waiting on Tiffany's feelings, Drew decides to move on. But can he be happy with another woman? And will Tiffany ever be brave enough to tell him her true feelings?

The Iris Series: *Release* introduced you to Ryann and Jeremy and *Redemption* continued the adventure of this circle of friends with Ayanna and Jonathan. The sizzle between Mike and Emily was seen in the third book, *Revelation*, and in *Remembrance*, we saw the sexy, fun culmination of a romance long awaited between Janie and Luke. Enjoy the conclusion of how the final two friends in this tight knit group, Tiffany and Drew, finally find love through the *Renaissance* of a friendship fanned into the fire of passionate love.
