## Say Goodbye: An FBI Profiler Novel Lisa Gardner

*Come into my parlor . . .* For FBI Special Agent Kimberly Quincy it starts with a pregnant hooker. The story Delilah Rose tells Kimberly is too horrifying to be true. But prostitutes are disappearing, leaving behind no bodies and no explanations—except one only Kimberly, herself four months pregnant, is willing to believe. Could a sadist be hunting the streets for vulnerable young girls and using spiders to do his dirty work?

*Said the spider to the fly. . . .* Either a serial killer has found the key to the perfect murder or Kimberly is following clues to a crime that never happened. In fact, Kimberly's caught in a web more lethal than any spider's, and the more she fights for answers, the more tightly she's trapped. She's already close—too close—to a psychopath who makes women's nightmares come alive. And like her mother and sister before her, both victims of a serial killer, it won't be long before it's Kimberly's time to say goodbye with her dying breath. . . .
