**Winchester Undead: Winchester Over (Book One) and Winchester Prey (Book Two)** Dave Lund

An omnibus edition of the first two books in Dave Lund's Winchester Undead series.

The detonation of multiple nuclear warheads high in the atmosphere above North America destroys all the tools and devices of our modern lives, leaving the country in chaos. Next, an ancient virus is unleashed that steals death from humanity.

Bexar Reed and his family, along with their lifelong friends and fellow preppers, were prepared for the end of the world. They thought they were prepared for nearly every possibility—but they never thought the dead would rise to hunt the living.
