Times have changed in the coaching profession. In today's world of sport, players must deal with complex issues. Athletes are now more apt to fight for what they deserve than they were in the Vince Lombardi or John Wooden eras. That makes your role as the coach tougher than ever. Not only must you teach athletes the skills, strategies, and discipline to help them succeed; you also are expected to guide, encourage, respect, and inspire athletes.

*Creative Coaching* is a strategic handbook for addressing the challenges of coaching modern athletes and maximizing their sport performance. Written by one of this country's top coaching consultants, the book presents innovative approaches with proven payoffs.

What sets author Jerry Lynch's coaching method apart is his unique, collective approach. You will learn to teach, guide, and motivate in a reciprocal relationship with athletes. Respect and authority are earned not through a title or through disciplinary measures but through a clear vision and effective communication that prompts athletes to exert maximum effort toward their goals and develop their own decision-making skills—all of which have a direct performance payoff.

*Creative Coaching* explores three facets of successful coaching. **Part I**, *Developing Qualities for Successful Leadership*, provides assessment tools to help you identify your leadership style and better understand the athletes you work with. **Part II**, *Leading With a Purpose*, will help you position yourself to be a more effective leader and create a positive training environment based on what you know about your athletes and your own leadership style. Finally, **Part III**, *Unleashing Prepared Athletes*, shows you how to bring it all together to help athletes reach their potential during competition.

Throughout the book, you'll be challenged with real scenarios in which you must try to solve problems, and new strategies that have proven to be effective with today's athletes.

The approach presented in this book gets results. Those who have immersed themselves and their teams in this approach have produced very successful records. During the past 10 years, author Jerry Lynch has worked closely with 21 teams who reached the Final Four—12 of those teams won the national championship—and with individual clients who have won a collective total of 15 national championships.

*Creative Coaching* is more than a “how to win” manual. The inventive techniques apply to a wide variety of coaching situations and will help you and your athletes experience all the fun and passion of sport—at the same time, you'll perform your best.

### From reader reviews:

#### Hubert Ray:

Exactly why? Because this Creative Coaching is an unordinary book that the inside of the book waiting for you to snap it but latter it will distress you with the secret the item inside. Reading this book beside it was fantastic author who have write the book in such amazing way makes the content interior easier to understand, entertaining approach but still convey the meaning fully. So , it is good for you because of not hesitating having this any more or you going to regret it. This book will give you a lot of benefits than the other book have such as help improving your expertise and your critical thinking technique. So , still want to hesitate having that book? If I were you I will go to the reserve store hurriedly.

#### Cornelius Ryerson:

Playing with family in a park, coming to see the water world or hanging out with pals is thing that usually you have done when you have spare time, then why you don't try matter that really opposite from that. One particular activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you have been ride on and with addition associated with. Even you love Creative Coaching, you may enjoy both. It is great combination right, you still desire to miss it? What kind of hangout type is it? Oh can happen its mind hangout guys. What? Still don't have it, oh come on its known as reading friends.

#### Melvin Groth:

Your reading 6th sense will not betray you, why because this Creative Coaching publication written by well-known writer who knows well how to make book that could be understand by anyone who else read the book. Written throughout good manner for you, still dripping wet every ideas and creating skill only for eliminate your personal hunger then you still hesitation Creative Coaching as good book not only by the cover but also by content. This is one publication that can break don't judge book by its protect, so do you still needing another sixth sense to pick this specific!?! Oh come on your reading sixth sense already alerted you so why you have to listening to one more sixth sense.

#### Andrew Joy:

In this time globalization it is important to someone to obtain information. The information will make professionals understand the condition of the world. The condition of the world makes the information simpler to share. You can find a lot of sources to get information example: internet, newspaper, book, and soon. You can view that now, a lot of publisher that print many kinds of book. The book that recommended for you is Creative Coaching this publication consist a lot of the information with the condition of this world now. This particular book was represented how can the world has grown up. The vocabulary styles that writer use to explain it is easy to understand. The particular writer made some research when he makes this book. This is why this book acceptable all of you.
