Essentials of Physical Geography Robert E. Gabler

This new hardback edition, containing the most up-to-date information on physical geography, combines a strong pedagogical program with visual appeal. The text emphasizes student involvement and interaction in the learning process. ESSENTIALS OF PHYSICAL GEOGRAPHY, Sixth Edition offers the combined teaching expertise of four first-rate geographers and serves as the ultimate tool in understanding the dynamics of the physical geography course for the 21st century. ESSENTIALS OF PHYSICAL GEOGRAPHY is written specifically for the student. It has been designed to help meet liberal education requirements by providing students with sufficient knowledge and understanding to make informed decisions involving the physical environments with which they will interact throughout their lives. The text assumes students have little or no background in physical geography or other Earth sciences. The authors include numerous examples from throughout the world to illustrate difficult concepts and help students bridge the gap between scientific theory and its practical application.
