Damion and his girlfriend Sally were walking quietly down the trails of the forest where they were camping for the weekend. It was a pretty warm day and they were working up quite a sweat from the trail, even though it was shaded by trees. The fresh air was very relaxing and he could hear the birds and other animals chattering in the foliage around them. It was a very exciting time for them to be outside, and the whole place seemed to be alive with activity as the sun streamed through the leaves, lighting them into a clear, transparent green that made them both dazzled by the sight.
