### The Complete Three Stooges Jon Solomon

The Three Stooges were the greatest comedy team of all time. Their great body of work spanned almost forty years and includes over 200 films. Over seventy five years since they first began their comedy antics, The Three Stooges still regularly appear on television every day of the week all over the world.

The faces of Larry, Moe and Curly are more recognizable than many popular film stars of today. Many of the performers and comedians of today repeatedly borrow from and mimic their great comedy routines.

It is only fitting that we pay tribute to their great comedy genius with a detailed study and analysis of all their films from their first, *Soup to Nuts* in 1930, to their last, *Kook's Tour* in 1970.

This is the definitive source book on The Three Stooges from respected Stooge expert Professor Jon Solomon, and specifically authorized by The Three Stooges company, *Comedy III Productions, Inc.*
